

WE COMMIT TO ENVIRONMENTAL, SOCIAL AND GOVERNANCE.

to ensure that they contribute to the positive impact for the community. WE COMMIT to our stakeholders and to the environment, to ensure that we are a responsible and sustainable organization. We are committed to the following:

- **Environmental:** We are committed to reducing our carbon footprint and to using sustainable materials in our construction and operations.
- **Social:** We are committed to providing fair and safe working conditions for all our employees, and to supporting the local community through our social responsibility programs.
- **Governance:** We are committed to high standards of transparency and ethical behavior, and to ensuring that our business operations are in full compliance with all applicable laws and regulations.

By committing to these principles, we aim to create long-term value for our stakeholders and to contribute to a sustainable and prosperous future for all.
